

Monitoring Goals, Actions, and Resources for the 2023-24 Local Control and Accountability Plan (LCAP)

This template is intended for internal monitoring purposes only. The 2023-24 LCAP template and instructions should be consulted when completing required documents.

(6) (A) The superintendent of the school district shall present a report on the annual update to the local control and accountability plan and the local control funding formula budget overview for parents on or before February 28 of each year at a regularly scheduled meeting of the governing board of the school district. (B) The report shall include both of the following: (i) All available midyear outcome data related to metrics identified in the current year's local control and accountability plan. (ii) All available midyear expenditure and implementation data on all actions identified in the current year's local control and accountability plan.

Goal 2

Goal Description

Provide staff which is trained in effective instructional practices ensuring student access to and understanding of the Common Core Standards. Provide standards-aligned curricular materials and establish Common Core lessons in Reading/Language Arts, Mathematics, History/Social Science and Science. Ensure that all students have access to a Broad Course of Study and that Technology is integrated within the Common Core curriculum.

Expected Annual Measurable Objectives

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2023-24
District personnel records	One hundred percent of District teachers are properly credentialed and assigned.	Based on the District Certificated Database, all teachers were highly qualified and appropriately credentialed for their teaching assignment.	Based on the District Certificated database, all teachers at the elementary sites are highly qualified and appropriately credentialed for their teaching assignment. Two teachers (equivalent to 1.4 full time equivalent or 18% of teachers on site) at Mark West Charter Middle School are on a Provisional Intern Permit. They are enrolled in the North Coast School of Education and are mentored by highly qualified teachers within the school district.	Based on the District Certificated database, all teachers at the elementary sites are highly qualified and appropriately credentialed for their teaching assignment. One teacher at Mark West Charter Middle School is on a Provisional Intern Permit. This teacher is enrolled in the North Coast School of Education and is being mentored by a highly qualified teacher within the school district.	Maintain 100% of District teachers are properly credentialed and assigned.
Site/District level professional development records	Eighty percent of District Teachers participated in District Professional Development.	District PD evaluation survey records indicate that 63% of the district teachers participated in District Professional Development	District PD sign in sheets indicate that 84% of the district teachers participated in District Professional Development	District PD sign in sheets indicate that 92% of the district teachers participated in District Professional Development offered so far during the 2023-24 school year.	Ninety five percent participation of District Teachers in District Professional Development
Annual Williams Report (Appropriate Curricular Materials)	The Annual Williams Report indicated that students are provided with standards-based curricular materials.	The Annual Report to the governing board regarding the Sufficiency of Instructional Materials, as required by the Williams Act, was reviewed and approved by the Mark West Board of Education in September 2021. The report indicated that 100% of the MWUSD students were provided with high quality standards aligned	The Annual Report to the governing board regarding the Sufficiency of Instructional Materials, as required by the Williams Act, was reviewed and approved by the Mark West Board of Education in September 2022. The report indicated that 100% of the MWUSD students were provided with high quality standards aligned	The Annual Williams Report will continue to indicate that students are provided with standards-based curricular materials.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2023-24
		instructional materials as described in the state curriculum frameworks adopted by the California State Board of Education.	instructional materials as described in the state curriculum frameworks adopted by the California State Board of Education.	instructional materials as described in the state curriculum frameworks adopted by the California State Board of Education.	
Site Level Lesson Plans & Principal Observations	Common Core lessons are developed and used by 100% of the District teachers.	Common Core lesson development has reached the 100% target with regards to instructional materials and lessons aligned with the CCSS.	Standards-aligned lesson development has reached the 100% target with regards to instructional materials and lessons aligned with the CCSS and ELD Standards.	Standards-aligned lesson development has reached the 100% target with regards to instructional materials and lessons aligned with the CCSS and ELD Standards.	Maintain the development and use of Common Core lessons by 100% of the District teachers.
Teacher lesson plans (Technology)	All teacher lesson plans indicated that technology is integrated into the curriculum.	Based on administrative review, teachers integrated technology into 85% of the curriculum.	Technology continues to be integrated into the curriculum, Teacher lesson plans and administrative observations show integrated technology use 90% of the time or more in classrooms.	Technology continues to be integrated into the curriculum and learning activities, Teacher lesson plans and administrative observations show integrated technology use over 90% of the instructional day.	Maintain all teacher lessons plans integrate technology into the curriculum.
Formative English Language Matrix and English Language Proficiency Assessments for California (ELPAC)	All teachers will implement the Formative English Language Assessment for EL Students. Baseline data indicates that 7% of EL students are re-designated as fully English proficient and 10% of EL students exhibit growth in English proficiency as measured by the formative assessments.	All teachers have implemented the Formative English Language Assessment for EL Students. Current data indicates that 10% of EL students were re-designated as fully English proficient during the 2021-22 school year and 45% of EL students exhibited growth in English proficiency as measured by the formative assessments, which is an increase of 35%.	All teachers have implemented the Student Oral Language Observation Matrix (SOLOM), which replaced the Formative English Language Assessment for EL Students. Current data indicates that 13% of EL students were re-designated as fully English proficient during the 2022-23 school year and 47% of EL students exhibited growth in English proficiency as measured by the formative assessments.	All teachers have implemented the Student Oral Language Observation Matrix (SOLOM), which replaced the Formative English Language Assessment for EL Students in the Fall and Winter. Current data indicates that approximately 17% of EL students will be re-designated and are going through the process of establishing fulfillment of the 4 criteria established for redesignated as a fully English proficient student during the 2023-24 school year. Mid year data for the Student Oral Language Observation Matrix (SOLOM) is currently in process and will be	Increase the percentage of EL students that are redesignated as fully English proficient to at least 10%; and, show a 20% increase in the percentage of total EL students exhibiting English proficiency growth over the course of the school year, as measured by the Formative English Language Assessment.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2023-24
				reported in the LCAP annual update in spring of 2024.	
Access to a Broad Course of Study	The district and schools will maintain ongoing qualitative and quantitative review of course offerings and class schedules to assess the extent to which all students have access to and are enrolled in a broad course of studies as measured by staff walkthroughs and teacher lesson plans. All students, including 100% of English Learners, Low Income, foster youth and students with disabilities will receive a full range of classes will have full access to a broad course of study within their regular school day, including but not limited to English, math, social studies, science, visual & performing arts, health, and physical education, as defined by California Education Code 51210 and 51220(a)-(i).	As measured by staff walkthroughs and teacher lesson plans, all students, including 100% of English Learners, Low Income, foster youth and students with disabilities are receiving a full range of classes and have full access to a broad course of study within their regular school day, including but not limited to English, math, social studies, science, visual & performing arts, health, and physical education, as defined by California Education Code 51210 and 51220(a)-(i).	As measured by staff walkthroughs and teacher lesson plans, all students, including 100% of English Learners, Low Income, foster youth and students with disabilities are receiving a full range of classes and have full access to a broad course of study within their regular school day, including but not limited to English, math, social studies, science, visual & performing arts, health, and physical education, as defined by California Education Code 51210 and 51220(a)-(i). 	students access to a standards-based curriculum. Teacher qualifications will be documented in the District Certificated Database.			instruction using core curriculum by highly qualified teachers. All Low Income and Foster Youth students have access to a standards-based curriculum.				

Goal 3

Goal Description

Maintain a safe learning environment with programs designed to meet the academic, physical, social and emotional needs of students, while reducing the number of suspensions, expulsions, and chronic absenteeism.

Expected Annual Measurable Objectives

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2023-24
Annual Counseling Board Report	The Climate Survey, aligned with the BEST program and the Parent Survey, developed by the School Site Councils, indicate that students increased access to needed support. Individual and group intervention counseling sessions has led to positive school climates.	Counseling progress report data shows that individual and group sessions have led to improved social-emotional functioning of many counseled students. Currently, 90% show improvement.	Counseling progress report data shows that individual and group sessions have led to improved social-emotional functioning of many counseled students. Currently, 71% show improvement.	Data for this goal will be reported in April 2024. Our counselors see students individually or in small groups. Our counselors and interns facilitate an eight to ten week counseling group sessions which addresses the areas of friendship development, friendship skills, emotional understanding, peer and teacher interaction, conflict resolution, situational awareness and perspective taking, school safety and ways one can get help when needed. One of the goals is that students will practice and	Based on the Counselor progress report data, the percentage of students showing improvement in social-emotional functioning as a result of participating in counseling will increase to 90% of counseled students.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2023-24
				<p>implement ways to handle stressful situations and work through challenges that might be currently happening or might come up in the future. Some of our middle school age students may participate in eight to ten week counseling group sessions which focus on such things as middle school transition.</p> <p>Educationally Related Mental Health Services (ERMHS) are provided by our counselors to some of our students receiving special education services with Individualized Education Plans (IEPs). These services are provided when students have significant social, emotional and/or behavioral needs that impede their ability to benefit from their special education services, supports, and placement.</p>	
Discipline referrals to elementary school office as maintained in school student information system	In the most recent in-person instruction school year (2019/20), there were a total of 301 student discipline referrals to the elementary school offices/principals.	In the most recent in-person instruction school year (2021-22), to date, there were a total of 322 student discipline referrals to the school office/principals.	In the most recent in-person instruction school year (2022-23), to date, there were a total of 310 student discipline referrals to the elementary school offices/principals. Mark West Charter School had a total of 158 office referrals/detentions.	Discipline records indicate that there were a total of 73 student discipline referrals to the middle school offices/principals as of February 6, 2024.	Through consistent implementation and reinforcement of the BEST program, Second Step, and Tool Box by site administrators, teachers, and staff, disciplinary office referrals to the elementary school offices/principals will be reduced by 25% overall at the elementary level, as measured by end of year total of referrals in

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2023-24
					the student information system.
Suspension & expulsion rates maintained by District Office	There were no student expulsions. The suspension rate increased by 5%.	There were no student expulsions. The suspension rate increased by approximately 3% to 17 suspensions at the school site.	There were 0 student expulsions. The suspension rate decreased by approximately 31% compared to the baseline in 20-21. During the 22-23 school year, there have been an average of 9 suspensions at the elementary level to date. The Mark West Charter School had 0 student expulsions. There were a total of 10 suspensions.	For the 2023-24 school year, there have been 4 suspensions at the middle school to date. There were 0 student expulsions.	Through consistent implementation and reinforcement of the BEST program, Second Step, and Tool Box by site administrators, teachers, and staff, school suspensions will be reduced by 25% overall at the elementary level and there will be no expulsions, as measured by the suspension & expulsion data maintained by the district office.
School attendance rates maintained by District Office	The school/district attendance rates were 96%. Chronic Absenteeism was 11.14%	The school attendance rates for the 2021-22 school year to date is 94.3%. The school Chronic Absenteeism rate is 1%.	The school/district attendance rates for the 2022-23 school year to date is 72.9%. The district Chronic Absenteeism rate is 27.1%. The chronic absenteeism rate at the Mark West Charter School was 27.3%.	As of this mid-year report, the district chronic absenteeism rate has decreased to 13.9 %.	Through positive school climate efforts, parent education, and student support, the chronic absenteeism rate will be reduced to below 10%, as measured by the school's student information system.
School Dropout rates maintained by MWUSD Office	The dropout rate was 0%.	The dropout rate was 0%.	The dropout rate was 0%.	The dropout rate was 0%.	Maintain dropout rate of 0%

				accordance with the Specialized Education Plan (SEP). These rates are also continually monitored through our student information system to allow "just in time" intervention and support.				
3.3	School climate Positive school-wide behavior support systems emphasizing counseling services will continue to be implemented to promote a safe school environment with emphasis on specific student groups.	No Yes	Fully Implemented	Positive school-wide behavior support systems that include counseling services have been fully implemented to promote a safe school environment with emphasis on specific student groups. Specific student groups vary at each site based on individual school subgroup data and unique needs.	Guide to Building Effective Schools Together (BEST) program on school websites	\$20,738.00	21,598.00	\$5,890.00
3.4	School climate BEST, Second Step and Tool Box will continue to be implemented at 100% of the district schools by all staff.	No	Fully Implemented	BEST, Second Step and/or Tool Box will continue to be implemented by 100% of the district schools by all staff. Schools have establish opportunities to learn and practice	Guide to Building Effective Schools Together (BEST) on school websites Second Step Lesson Plans	\$0.00	\$0.00	\$0.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-year Revised Budget First Interim	Mid-Year Expenditures
				the BEST program school-wide expectations through out the school year. Counselors continue to fully implement both Toolbox Strategies and Second Step programs throughout the district.	Toolbox for Learning presentations, posters, and tool icons on lanyards.			
3.5	School climate Zones of Regulation will continue to be used in all special education classes.	No	Fully Implemented	Zones of Regulation is fully implemented and continues to be used in all special education classes.		\$0.00	\$0.00	\$0.00
3.6	School nutrition The District will continue to support the National School Lunch Program as documented in the Nutri-Kids system.	Yes	Fully Implemented	The District continues to support the National School Lunch Program as documented in Mosaic, which has replaced the Nutri-Kids system. The district offers both breakfast/snack and lunch to our students daily.	Mosaic Point of Service and Meal Eligibility System	\$0.00	\$0.00	\$0.00
3.7	Academic support Students at Mark West and San Miguel will be supported by a full time Title I reading teacher.	Yes	Fully Implemented	Students at Mark West and San Miguel Elementary Schools are supported by a full time Title I reading teacher.	Payroll department records	\$0.00	\$0.00	\$0.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-year Revised Budget First Interim	Mid-Year Expenditures
3.8	Academic support Riebli students will be supported by a .50 FTE District funded reading teacher.	No Yes	Fully Implemented	Riebli Elementary School students are supported by a .80 FTE District funded reading teacher.	Payroll department records	\$0.00	\$0.00	\$0.00
3.9	Academic support Low Income and Foster Youth students will be given priority for instructional support programs, such as the math intervention program and Literacy Boot Camp. Student support will also include student tutorials before and after school, and a summer academy 2023, as documented in student attendance logs. Low Income and Foster Youth students will be given priority for reading teacher support and blended services during the school day.	No	Fully Implemented	The district highly prioritizes our students that are Foster Youth and/or socioeconomically disadvantaged (low income). These students are offered additional supports to include: instructional support programs such as Blended Services, Summer Enrichment Academy, small group reading instruction provided by a reading specialist. Summer Enrichment Academy will be offered in 2024 with these student subgroups receiving priority when sending invitations and enrolling in this program.	Intervention schedules Summer Enrichment Academy 2023 invitations and class attendance logs	\$0.00	\$0.00	\$0.00

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-year Revised Budget First Interim	Mid-Year Expenditures
3.10	Academic support During Blended Services (RTI – Response To Intervention) includes Electives	Yes	Fully Implemented	Through the data-based decision making process, targeted interventions are designed to meet student needs. During Blended Services time, all classroom teachers as well as para-educators are providing at least 30 minutes of highly focused, skill specific differentiated instruction to support the academic growth of our unduplicated students 4 days per week.	Blended Services/Intervention schedules	\$39,938.00	\$16,026.00	\$4,515.00
3.11	Academic support Additional RSP teacher support of targeted instruction in the RtI model will be provided for unduplicated students. In this block, the RSP teacher, will be used to provide instruction to unduplicated students outside of individual IEP's. Additional Certificated support used to provide instruction to unduplicated students. Summer Academy will also be provided during the summer of 2023.	No	Partially Implemented	Additional second blocks of targeted instruction are being provided district wide with priority given to our unduplicated students. In this block, other staff (including the RSP teacher) are being used to provide instruction to unduplicated students outside of individual student IEP's. Summer Enrichment Academy was	Intervention schedules Summer Enrichment Academy 2023 invitations and class attendance logs	\$28,035.00	\$32,942.00	\$7,984.00

				programs revises the content and instruction to support math needs specific to each grade level and growth areas as indicated by both summative, benchmark, and formative assessments.				

Goal 4

Goal Description
Each school will establish parent training and informational events and/or activities as well as seek parental input to be utilized in decision making.

Expected Annual Measurable Objectives

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2023-24
School maintained logs of parental participation.	School logs indicated that 80% of parents participated in at least one of the 3 major activities (Back To School Night , Open House, and Science Fair) during the 2019-20 school year.	Parental participation rate for Back to School Night was approximately 73%. Due to the pandemic, this activity was held virtually due to adherence to CDPH guidelines in place at the time.	Parental participation rate for Back to School Night was approximately 77%. Overall participation in Open House was approximately 80%. The district has not held an in person science fair since the pandemic and will resume this event during the 2023-24 school year.	Parental participation rate for Back to School Night in was approximately 70% district wide. Mark West Charter School had 61% participation.	Parental participation rate in at least one of the 3 major activities (Back to School Night, Open House, and Science Fair) will increase to 90%, as measured per parent participation logs maintained by the school.
Parent surveys and participation in parent meetings, trainings/education.	Parental surveys (school, DELAC) in English and Spanish seeking input for parent trainings/education that supports student academic growth and family social-emotional	Parent survey completion rate for the 2021-22 school year show that approximately 13% of parents completed surveys	Families, staff and students participated in the YouthTruth Survey. The participation rate was 72%. Given parent meetings, trainings, education	Families, staff, and students participated in the 2023-24 YouthTruth Survey. The participation rate for families district wide was 67%. Mark West	Parent survey completion rate will increase to 35% minimum, per survey event. Given parent meetings, trainings, education
